VOL 14 NO. 10 WEDNESDAY, MARCH 7, 1973.

Town Council Endorses 7 - Member PSS Board

Mrs. Hennie Stibbe, a former member of the Preventive Social Services Board submitted her views Monday night at the regular meeting of council. In her brief Mrs. Stibbe assessed the former PSS board and advanced suggestions to council regarding the formation of a new PSS board, its structure and lines of direction, among other points.

Mrs. Stibbe's submission reads as follows:

"With reference to the Preventive Social Services Board, members to which will be appointed by Town Council on March 12, I wish to make the following observations.

I believe the Board should consist of no more than seven members. Since November of last year the PSS Board has consistently failed to complete the business before the Board even though special meetings were held frequently. This, I believe, can be attributed to the following: a) as of November 2 the Board once again has a full complement of 11 members, and, b) a new chairman was elected November 16. In my opinion there has been too much irrelevant discussion at PSS meetings and I feel a reduced membership would help expedite matters.

In recent months too much time has been spent on administrative matters, matters which I feel could best be handled by the Town Administration. The proposed PSS Personnel Policy is just one example. Both PSS staff and Board have spent many hours writing and discussing this policy which, if

adopted, in my opinion could create havoc and result in a great expense to the taxpayer if all Town staff were to demand the same benefits as have been suggested for PSS staff.

I feel Board members have become too involved in administrative matters, and preventive social services functions such as public education, involvement of the community through forums and discussion groups as well as the public relations aspect of PSS, have been neglected. This is why I supported the motion made at the PSS Board meeting January 18, recommending

to council that bylaw 20/72 be rescinded and that the Board become an advisory committee of Council. The PSS Board unfortunately defeated this motion 5 - 4. I suggest that if Council were to rescind the PSS bylaw and the autonomous Board become an advisory committee with all PSS staff responsible to the town administration, time would be spent on programs, not administrative hassles.

Much of the difficulty encountered in recent months is due to there being too much "inter-marriage" between the Board and Council.

Police Foil Break-In

RCMP in St. Albert credit the co-operation of a resident of the Grandin Park area with foiling a daylight break-in which also lead to the solution to five cases of breaking and entry in Grandin Park, Grandin Village and Sturgeon.

Saturday afternoon, St. Albert police received a call at 4:02 from a resident in the Grandin Park area. The caller reported that a couple of youngsters appeared to be trying to gain entry to a nearby residence. Three police constables answered the call and found two juveniles who had already kicked-in a window and were in the process of entering the residence.

The two juveniles were apprehended, their parents notified and following routine questioning, the youngsters admitted to previous break-ins, thus solving five

cases in police files.

Sgt. F. L. Rheault and his staff extend their gratitude to the alert caller who helped them solve recent break-ins and avert another on Saturday.

The police also told The Gazette that one of the most highly recommended door locks on the market today is the dead-bolt type which can only be activated with a key.

"This lock," Sgt. Rheault said, "defies every cheating device available to the thief."

The police also wishes to remind all citizens that milk shutes provide a ready access to would-be thieves and suggest that these be securely locked, as well as all doors and windows in order to discourage unwanted visitors looking for cash or easily sold items.

The original log church, built by Father Lacombe in 1861 stood on the site now marked by the statue of the Blackrobe Voyager. It was later moved and used for some years for storing grain and implements, until rescued for its historical value, when a brick over-structure was built around it. The time has come when immediate further action is needed to preserve St. Albert's most historic landmark. Interested people of St. Albert and district may lend their support by attending the open house being held Friday by the St. Albert Historical Society.

Historical Society Open House Friday will point up need for action

"A look forward" is the theme of the St. Albert Historical Society's open house night which will be held in the Parish Hall on Friday, March 9 between 7 and 10 p.m. In explaining the theme president Arlene Borgstede said, "The future must be planned to include a means for preserving St. Albert's past. The most obvious land-

mark of our past in St. Albert is the log church built in 1861 by Albert Lacombe, OMI. There are few communities in Alberta who have an opportunity to preserve any distinguishing structure of their early history," said Mrs. Borgstede "and unless St. Albert acts soon, we also will have nothing left."

In 1929, the Roman Catholic parish raised through public subscriptions funds to erect a brick shelter over the original log structure. The situation now is that the brick shelter is falling in upon the old church. When the urgency of the matter became known a group of concerned citizens formed a committee which incorporated as the St. Albert Historical Society. "Father Lacombe and his mission are now part of our history and in that sense, he belongs to all of us," stated Mrs. Borgstede. The Historical Society has undertaken the task of preserving the Lacombe museum but, Mrs. Borgstede emphasized that the Society's aims were to ensure that all of St. Albert's history will be there for future generations.

"Any success in achieving these aims depends upon every St. Albert resident and we are inviting residents to become a charter member of the Society. The benefits of

Your Chamber Of Commerce

What can our St. Albert and District Chamber of Commerce do for our town and district as a whole?

1. It can capture the interest of all local businesses, professions, farmers and individuals.

2. It can bring forth new ideas, programs and new strength into the action committees.

3. The Chamber can breach new frontiers and thus keep our town in the lead thus making it a better place in which to live.

THINK OF THE ST. ALBERT & DISTRICT CHAMBER OF COMMERCE AS A COMBINED EFFORT OF ITS PEOPLE.

Harry Cochrane, President.

Public School Board Adopts 1973-74 Term

At the February 14 regular meeting of the Public School Board No. 3, the 1973-74 school year was approved at 198 operational days and 191 instructional days.

According to the motion made by Trustee Sylvia Walsh and unanimously approved, the 1973-74 school term will start with registration on Monday, August 27, 1973 and the last day of

school is going to be June 31, 1974. Christmas vacations will extend from December 22 to January 6, both dates inclusive. Easter holidays will commence on Good Friday and extend another full week.

Holidays not included in the above scheduled term are September 3, Labor Day, October 8 (Thanksgiving), and May 24 (Victoria Day).

The new Frontiersman Hotel on Grandin Avenue in Morinville will be welcoming visitors from throughout the area from March 14 to 17 during their opening celebrations. Official ceremonies will be held Wednesday, March 14, when Mayor Arthur Stapleton will officially cut the ribbon at 2 p.m.

Speaker tells meeting awareness needed to help troubled kids

The talk given by Mr. Walter Coombs, director, Mental Health/Alberta, to those attending the last public meeting of the Sturgeon St. Albert Ass'n, for Children with Learning Disabilities was timely and well received. He gave advice as to how to organize and become an effective pressure group which is imperative to obtain the necessary help for our troubled children.

Mr. Coombs told of a survey recently conducted to find out what programs and facilities various school boards across the country have set up, and how successful they seem to be. This information is available to the association, and any interested school board simply by contacting his office. He stated there are

some rather exciting, successful programs are being carried out. There is also a considerable volume of information in his office pertaining to existing programs in the United States available for perusal.

Mr. Coombs indicated that children with learning difficulties must be kept in the regular classroom as much as possible, to avoid the emotional damage brought about by segregation and labelling. Volunteers and resource room teachers make it possible for these troubled youngsters to remain with their peers. Children who are remediated at the very first sign of difficulties at the grade one level have a high probability of moving on in the regular stream and do not suffer disabling emotional damage. Certainly, these children are less likely to present a

behaviour problem in the classroom or at home.

Public awareness is essential to create the understanding necessary to deal with the needs and problems of the learning disabled child. Every person with a keen interest in the development and welfare of the young people in the community is invited to attend the public meetings of the SSAACLD held on the third Monday of each month, at 7:30 p.m. in the music room of the Leo Nickerson School.

A wealthy businessman who had risen from rags to riches was giving his only son some advice: "Son," he said, "I owe my success to two principles: honesty and wisdom. Honesty, in all dealings, keep your promise even if it means bankruptcy; wisdom is easier, just don't make any promises!"

Bilingualism Committee To Meet Here Mar. 13

The federal committee on bilingualism, headed by Mrs. Jean Carruthers will hold a public meeting in St. Albert Tuesday March 13 at 930 a.m. in the Town Hall council chambers.

Purpose of the meeting is to receive local feedback on the position of St. Albert

toward becoming a bilingual district. Besides representation from town council, the bilingual committee has invited spokesmen from the two school systems, the Chamber of Commerce, local church groups and the public at large to participate in the discussions.

School Bus Owners Set To Apprehend Thieves

The loss of gasoline and equipment from school buses in St. Albert has become quite an issue during the past several months and has reached sufficient importance to provoke the owners of Reny Transport and PNA Transport to offer a \$50 reward for information leading to the conviction of the culprits.

In an interview with the two owners, Adam Hauptman owner of PNA Transport and Reni Lafranchise, Reny Transport, it was learned that thefts over the past month alone amount to well over \$500. Mr. Hauptman, owner of two school buses reports the loss of several tanks of gasoline, each worth about \$8 plus the loss of fire extinguishers, fire axes, a battery and also reports that four tires, each worth about \$125 were slashed.

Mr. Lafranchise's report is very similar, the only difference is that his losses are greater because he operates a fleet of eight buses. He told The Gazette

that just last weekend alone three of his buses were drained of gasoline, thus representing about 50 gallons. Mr. Lafranchise also reports the loss of fire extinguishers, axes and first aid kits.

Police in St. Albert have a list of all items stolen from the buses owned by the two complainants and have also kept a special eye out on the school bus parking lot located behind Perron Store where all the thefts have occurred. Adam and Reni are confident that their \$50 reward will lead them or the police to the identity of the persons responsible for the thefts. Both owners also told The Gazette that their drivers are also cruising the parking lot during their off-hours in an attempt to stop this rash of thefts and collect the reward money.

**ALWAYS
READY
TO
HELP**

Salesman: "I travelled as a salesman all summer and only received two orders."

Friend: "That's too bad; what kind of orders were they?"

"Get out! and stay out!"

\$50 REWARD

will be given by Reny Transport and P & A Transport for information leading to the arrest and conviction of person or persons stealing gas etc., from school buses. PHONE -- 459-7542 OR 459-6079.

Final Tribute

IN LOVING MEMORY OF MARY JOHNER
BELOVED WIFE AND MOTHER

One long and lonely year has passed since our great sorrow fell,
The shock that we received that day
No one can ever tell,
If we could touch her tender face,
hear your voice or see your smile,
the world would seem so bright again
and things would be worthwhile,
You listened to our troubles
and helped us with our needs,
You always were so close at hand
to try and do good deeds,
So many things have happened
since you were called away
so many things to share with you
had you been left to stay,
So many times we've needed you
so many times we've cried
if our love could have saved you
you never would have died,
It broke our hearts to lose you
but you did not go alone
for part of us went with you
the day God called you home.

Forever remembered by

Joseph Johner, Debbie and Jo-Anne Johner,
Don and Donna Raymond and Mrs. S. E. Brown.

Town Endorses

Continued from page 1.

teen the PSS Board and its programs. In several instances PSS Board members or their spouses are involved with, or serve on the executive of, PSS sponsored programs. I would behoove council to take this into consideration when appointing members to the Board. Objectiveness must be one of the prime criteria.

Preventive Social Services is an issue of importance; if administered properly it can add greatly to our community. It must not be allowed to interfere with existing programs and it must not be allowed to spend money just because funds are available and "only cost us 20 cents on the dollar." St. Albert is not a deprived area but we do have a number of citizens living on or below the poverty level. Let us seek out these people; to date PSS programs have involved mostly those people who are already well aware of what is available to them and how to go about getting it.

I have decided not to seek a position on the PSS Board; I have sat as a member for 18 months during which time I worked diligently. Recent submissions to Council would indicate I have the support of many people, this I find gratifying. I have been charged with, and accused of, many things, none of which have been substantiated. I have not lost interest in Preventive Social Services and intend to carry on with my "watch-dogging" of public funds. I have, however, come to the conclusion that I can be more effective off the Board than as a member and I wish to point out that this is my sole reason for not seeking an appointment to the PSS Board.

After Council had discussed Mrs. Stibbe's submission, Councillor John Bakker made a motion that the new edition of the PSS Board be made up of an executive of seven members as per Mrs. Stibbe's recommendation. Councillor John de Bruijn in speaking against the motion, suggested that council refrain from creating a new PSS board for an undefined cooling-off period. Mr. de Bruijn elaborated by saying that in his view, PSS should be operated through town council and town staff in order to give council ample time to study the whole PSS

Issue. Mr. de Bruijn expanded his opinion by saying that council must study the PSS question very carefully and hammer out an iron-clad bylaw before a new PSS board is appointed, "thereby avoiding problems encountered in the past."

Mayor Ray Gibbon concurred with Councillor de Bruijn's suggestion while Councillor Rod Thronson agreed with Mr. Bakker's motion to form a seven-member board immediately. The vote on the motion came out 4 - 2 in favor of a seven-member board. Voting against the motion were Mayor Gibbon and Councillor de Bruijn.

Councillor John Bakker made another motion, this one requesting that council writes a letter of acknowledgement and thanks to Mrs. Stibbe for her valuable submission. That motion was carried unanimously.

Lady Lions will induct members

The next meeting of the St. Albert Lady Lions will be held Monday, March 12 at the home of Betty Thronson, 42 Swallow Crescent, beginning at 7:30 p.m.

New members will be inducted into the club that evening and the nominating committee will present a slate of prospective executive officers for the consideration of the members.

The ladies had hoped to have MLA Ernie Jamison speak to their March meeting, but an unforeseen commitment made it necessary for him to postpone his visit to the club.

The executive will meet March 26 at the home of Cindy Ryley, 32 Geneva Crescent.

Western Bus Lines Changes Ownership

Starting Thursday of last week, March 1, Western Bus Lines was purchased by the Grey Goose Corporation, a public company operating in Manitoba and Ontario. The newly-acquired Alberta fleet of 44 buses which served St. Albert will continue to operate under the name of Western Bus Lines Ltd. but will in fact become part of the parent company of Grey Goose Corp. The official Alberta name of the new

acquisition is Grey Goose Bus Lines (Alberta) Ltd.

President and general manager of the firm, Ron Thiesen, whose offices are both in Red Deer and Edmonton, told The Gazette that his firm had purchased all of Western's assets and assumed all existing contracts including school and transit contracts with St. Albert.

Mr. Thiesen explained that his firm was not planning on making any changes but would certainly negotiate with St. Albert authorities if and when the need to do so was made known.

"I know the town of St. Albert and the former owners held old talks regarding scheduling," Mr. Thiesen said, "and we're prepared to continue with those talks."

When asked if his firm had plans for the introduction of telebus in St. Albert, Mr. Thiesen said that his firm did not operate such a service in the other provinces but added that he was open to any submission on that or any other matter relating to transportation.

Besides purchasing all of Western's fleet and equipment, Grey Goose Bus Lines (Alberta) Ltd. has also kept the entire staff, thus making the transfer of ownership a very smooth event as far as the passengers are concerned.

Parish groups mark Scout & Guide Week

On Sunday, February 25 the scouts and cubs of St. Albert Parish concluded Scout and Guide Week with a church parade and a father and son banquet.

The cubs and scouts were joined by the guides and brownies at 9:30 mass. During mass, Religion in Life badges were presented and a short message was given by Dick Fowler.

The father and son banquet was held later that afternoon in the parish hall. After the delicious meal prepared by mothers a special presentation was made to Don Kennedy for his contributions to the cubs and scouts. Chief "Red Fox" (Father Joly) was the featured guest.

The evening concluded with a magic show and a sing song.

A St. Albert bowling team won third place in the City of Edmonton championship tournament on the weekend. Marg Lovatt, Glenna Erickson, Stan Fookes, Gary and Pat Cull will receive their

trophy awards at the upcoming bowling banquet. They were both pleased and somewhat surprised to come through so well in the 115-team competition.

** ** *

Two RCMP officers who make their home in St. Albert took part in a half hour TV special in which three members of the Duffield 4H Beef Club had an opportunity to interview four members of the force. Corporal Arnold J. Walter appeared in the first official uniform of 1874, with its yellow and white pill-box hat, flesh colored pants, white gloves and the red serge. Constable Jack D. Hearfield wore the uniform introduced in 1896, consisting of the red serge, with two changes - blue pants with wide yellow stripe and the white pith helmet complete with gold spike. Officers from Sherwood Park and Edmonton wore the modern uniforms, introduced in 1914 - the dress and everyday working uniforms. The program, which dealt with history and present-day operations of the force will be viewed Saturday morning on CFRN-TV at 7:30.

A event winners in Girls Curling were Nancy Gialster left, skip; Debbie Scharf, third; Kathy Griffiths, 2nd and Barbara Brockholdt. The rink was awarded the Club Trophy, Friday.

Winners of the B event and Quaker State Oil trophy for Girls Curling were from left, Colleen Tomash, skip; Lindy Spence, Joanne Bremault and Colleen Coombs.

Square draw winners in Girls Curling, presented with Alberta Girls Curling pins Friday were: Cindy Oakes, left, skip; Gail Cairns, Laurie MacGregor and Cindy Cairns.

Girls curling trophies presented at wind-up

A meeting held Friday at the Friendly Giant Inn wound up the season's activities for girls curling in St. Albert. A special guest was Faye Dennis, northern representative of girls curling, who spoke informally and said she was well pleased with the enthusiasm of the St. Albert group, and their well-run season.

Forty girls took part this year and their attendance was so close to 100 percent that they did not require a spare list, a good indication of keen curlers. They presented a bouquet of flowers to Sallie Oakes, ladies club representative for girls curling this year.

A highlight of the afternoon was the presentation of trophies and pins. The Nancy Gialster rink won the Club trophy, while the Quaker State Oil trophy, presented by Mrs. Oakes in the absence of Mr. Vic Ulmer, went to Colleen Tomash's rink.

Runners-up in A event were the Cindy Oakes rink,

second, and Jill Schinking's foursome, third. The Bev Lewis rink placed second in the B event.

Winners of the square draw were the Cindy Oakes quartette, who were presented with Alberta Girls Curling pins.

Supporters of Girls Curling included the Dairy Queen, door prizes, Western Fashions, Florish Plumbing Company, Klondike Inn and Macleods store. To conclude the day the ladies club served hot dogs and punch all around.

SPORTS

Comets eliminate Eagles advance to Northern Finals

Willowbrook Comets behind the four goal performance of Andre Contant eliminated the Westlock Eagles from intermediate provincial playoffs.

Comets scored identical 4 - 2 wins over the Eagles in Westlock Wednesday and in St. Albert Friday night.

Both games were played before large crowds who were treated to excellent clean action.

Comets now advance into the northern finals against the Fort Saskatchewan Huskies who came from behind a five goal deficit and upset the Lloydminster Border Kings in overtime Sunday night in the Fort.

The Huskies play a more aggressive game than the Comets and have a number of good veterans.

Gene Achymchuk is one of their better known players having played for the Edmonton Flyers as well as serving and playing for many years in the Detroit and Montreal organizations.

Gene last played and coached the Edmonton Monarchs in the now defunct Western Canada Senior Hockey League.

Getting back to the Westlock series the Comets had much less trouble than they expected against the Eagles. The action was mostly in the opening 20 minutes when five of the six goals were scored.

Eagles took an early 2-0 lead on goals by Len "Comet" Hiley at 5:02 and Leo Provincial's marker at 5:36.

The home town crowd

were still cheering when Henry Hodgson put Comets on the scoreboard at 6:12 with Andre Contant and Ted Rogers helping out.

Comets took control of the game in the latter part of the period when Contant scored from Rogers and Hodgson at 16:08 and again at 18:51 to put St. Albert ahead to stay.

The second period was scoreless with both goalies making some fine saves.

Contant scored his third goal of the game at 9:03 with an unassisted power play tally to give the Comets a two-goal lead going home.

Comets outshot the Eagles 40 - 28 and the teams split 12 minor penalties.

Friday night in St. Albert, Comets had no trouble with the Eagles in a game that lacked the exciting action of the final game of the Jasper series. It's doubtful St. Albert hockey fans will see a game this year that will top that one.

Doug Bell scored the all important first goal at 8:13 of the first period to increase the Comets two game goal lead to 5 - 2. Bell's goal was set up by a perfect pass from Captain John Arnot who has been playing very steady on defense. Doug's goal plus some solid body work by Rich Perrault on Len Hiley appeared to set the tempo of the game.

Contant scored his fourth goal of the series, and seventh since joining the Comets three games ago, at

ANDRE CONTANT
(7 goals in 3 games)

6:25 of the second period to put St. Albert ahead 2-0 and 8 - 2 total goals. Dale Ripple and Rogers drew assists on the goal.

Both clubs scored two in the final period with Rogers and Checknita getting the St. Albert goals while Claude Cyr and Gerry Hutman replied for Westlock.

Comets took 7 of 12 penalties called.

In a league game against Winterburn Tomahawks Sunday, the Comets rested players with minor injuries and lost a 9 - 8 decision. Henry Hodgson had a big point day scoring six goals and one assist.

The best of three series starts Saturday night at 8 p.m. in the Fort and switches to St. Albert Sunday night at 8 p.m. If a third game is needed it will be played Tuesday night in the Fort.

Fastball League

The first meeting of the Sturgeon Men's Fastball League is scheduled for St. Albert, Wednesday evening at 8:30 p.m. It will be held in the parks and recreation clubhouse, next to the swimming pool.

An election of officers will be held, and application by any new team wishing to join the six-team league will be received.

Anyone interested including representatives from last year's participating teams are urged to attend.

Scorpions win Senior hockey crown

Calahoo Scorpions defeated Morinville 5 - 3 last Tuesday to win the Sturgeon Valley Senior hockey crown, in three straight games in a best of five series. Scorpions also eliminated Legal in three straight to go through the playoffs undefeated.

The championship was a long time coming for Calahoo who were upset in the semi-finals last year by Namao after winning the first two games. The year before Namao ousted Calahoo in a controversial series.

Scorpions won the opener 4 - 2, took a two game lead with a 5 - 2 win and ended it with the 5 - 3 triumph.

Both clubs traded goals in the opening period with Wilf Berube putting Calahoo ahead 1 - 0 at 5:07 while Rick Pugliese scored for Morinville at 14:42.

Brian Telford put Morinville ahead 2 - 1 at 1:29 of the second only to have Calahoo tie the game at 3:28 on Andre Contant's goal.

Pugliese scored his second of the night at 5:10 to give Morinville the lead once again.

Jay McGeough knotted the score for Calahoo at 6:10 of the third and Jacques Contant pushed in the winner at 11:48.

Stubb Berube scored the insurance goal for Calahoo at 13:02 to give the championship to the Scorpions.

Calahoo Scorpions hockey team did very well trophy-wise this season. Captain Roger Berube proudly holds the Macleods Trophy (left) for capturing the Sturgeon Valley senior hockey championship and the Morinville Sports Association trophy for winning the annual Morinville hockey tournament. Calahoo also picked up the league scoring trophy (Andre Contant) and goaltenders award (Gerald McGinn).

First year Junior Bruins bow out of playoff scene

Bruins junior hockey club lost two straight games to the South Side Metros during the weekend and are now out of the Edmonton Metropolitan Junior B playoff picture.

Bruins were badly outplayed in every department except goaltending throughout the best of three series losing the opener Saturday night at Varsity Arena 7 - 2 and 5 - 1 Sunday in St. Albert.

Bruins goaltenders Brad Rix and Larry Wanagas must have wondered many times where their team-mates had gone, as Metros blasted 51 shots on Rix Saturday and bombed Wanagas with an even 50 Sunday.

In Saturday's opener Bruins were completely out of it in the first period allowing the Metros to take an early 2 - 0 lead. Rix's heroics in the Bruin goal kept the game respectable. Bruins fought back in the second period to tie the game when Bob Wallace deflected in a shot from the point, and Marcel Tourangeau scored a beautiful unassisted goal.

An interference penalty to defenseman Greg Hatch produced a power play goal for the Metros at 16:11, which proved to be the winner. Metros controlled the final 20 minutes scoring four more times for a final 7 - 2 win and a 1 - 0 lead in the best of three series.

Bruins just couldn't seem to get untracked in the game and their power play had to be seen to be believed. It was non-existent. At one point near the end of the first period, Metros took three straight penalties and were called for two more early in the second. Bruins managed only two shots on

BRAD RIX

LARRY WANAGAS

Despite losing the semi-finals to the South Side Metros, Bruin goaltenders Brad Rix and Larry Wanagas came up with outstanding performances.

goal in almost eight minutes while having the man advantage, and sometimes a two-man opportunity.

The most hustle any of the Bruins showed was when Rix dashed to the players box on a delayed Metro penalty.

Sunday's game was a little more satisfying for coach Ron Yanosik as some of his players appeared to realize there was no tomorrow if they lost. Bruins got off to a good start on their first shift and seemed to be controlling the play. Alex Jensen took a bad holding penalty at 3:22, resulting in a power play goal by the Metros at 4:46. Doug Ferguson went off for slashing at 5:38 and Metros went ahead 2 - 0 on another power play goal at 7:17. This also proved to be the winning goal.

Jim McComb put the Bruins on the scoreboard with a power play goal at 17:48 from Kelly McAvoy and Ferguson. Metros again used their man advantage and scored the insurance

goal at 19:36 of the second with Ferguson sitting out a roughing infraction.

South Side added two more in the third for a 5 - 1 win.

Bruin goalie Larry Wanagas was outstanding stopping many sure goals and had the Mets shaking their heads.

The Bruins record for their first year in junior hockey shows 10 wins, 17 losses and 1 tie in 28 league games. They scored 129 goals for a 4.6 average while allowing 183 against for a 6.5 per game average.

Even though they were bounced from the playoffs earlier than they would have liked, owners Garth Leask and Ron Yanosik were proud of their teams play in the first year. There will have to be some changes made in the coming season, especially along the blue line and in goal. A new coach is also being sought as a replacement for Yanosik who stepped in for Rick LeLacheur late in the season.

The St. Albert High senior girls basketball won a berth in the provincial high school tournament. Standing, left to right: Sandy Willas, Tish Sopchuk, Janet Thompson, Shirley Bokenfohr, Suzanne Grieve, Shirley Vollmer, Dan Chuff, coach, Kneeling, Linda McGillis, Maggie Bourgeois, Carmen Gibeau, Lorna McGillis.

St. Albert High Girls Win Basketball Berth

For the second consecutive year the senior girls basketball team from St. Albert High has won the North Central Zone playoff and earned the right to compete in the provincial high school tournament.

On Saturday at Vital Grandin gym the St. Albert High girls had too much scoring power for their opponents as they won both games with one-sided scores. The opening game saw the St. Albert girls take an early lead over Stony Plain and they continued to outscore their opponents to win by 30 points. In the second girls game Paul Kane took a 14 - 0 first quarter lead on Grand Trunk from Evansburg and then held on to win by five points as Evansburg came back strongly in the second half.

In the final between St. Albert and Paul Kane, Shirley Bokenfohr led the attack for St. Albert as she scored 25 points in the 51 - 6 win.

This Friday the senior girls and coaches D. Chugg and H. Reinhold, along with the cheerleaders will travel to Stettler to compete with nine other zone winners in the Provincial Girls High School championships.

In boys play on Saturday, Archbishop Jordan of Sherwood Park outscored Stony Plain by 15 points in the opening game and Drayton Valley doubled the score on Westlock 82 - 40.

The boys final between Archbishop Jordan and Drayton Valley was close from start to finish and the capacity audience was constantly in an uproar as the teams traded baskets. After

trailing throughout the game, Drayton Valley took the lead with only two minutes remaining and eventually won 44 - 42. The Drayton Valley boys will travel to Calgary on March 17 to represent the North Central Zone in the Boys Provincial Championship.

Final registration set for soccer

Final registration for the Hercules Soccer Association soccer program will take place at the Grandin Clubhouse next to the swimming pool between 6:30 p.m. and 9:30 p.m. on Friday, March 16th.

Registration fees are \$4 for each boy or \$6 for a family membership. Cheques should be made payable to the Hercules Sports Association.

Formation of teams and leagues will be based on the number of boys registered by March 16 and late registrations will only be considered to fill any team vacancy.

The soccer sessions which have been held in the Sir George Simpson and Sir Alexander McKenzie during the past few weeks will end on March 15. After that time the gyms will be used by coaches of the representative teams to select and train boys for the EMYSA leagues.

This year the juniors are being sponsored by Hercules and it is hoped that we shall be able to again field an enthusiastic team.

Both the local and EMYSA leagues will start approximately April 30th, depending on the condition of the fields.

A coaches meeting will be held at Sir Alexander McKenzie on Thursday evening, March 22 at 8 p.m. at which time the plans for the 1973 season and the co-ordination of teams and coaches should be decided.

Exciting final sees Calahoo defeat Morinville in 8-team tournament

GARY ATCHISON
(three goals)

Gary Atchison's third goal of the game after 11:03 of sudden death overtime gave the Calahoo Scorpions an exciting 9 - 8 win over Morinville in the annual Morinville Sports Association eight-team hockey tournament.

Calahoo appeared to have the game well under control entering the final period with a comfortable 7 - 3 lead. Morinville refused to give up and fought back with five goals to one for Calahoo, sending the final game of the tournament into overtime.

Both clubs missed some excellent chances in the first 10 minute overtime period before Atchison tipped in a point shot that beat Richard Cosgrove in the Morinville goal.

Besides Atchison's three goals Calahoo got markers from Andre Contant, Roger Berube, Wilf Berube, Jay McGeough, Jake Contant and Albert Wandler.

Fred Hesse and Mike Bashara scored two apiece for Morinville while singles went to George St. Laurent, Rick Pugliese, Marcel

Tourangeau and Roger Chailfoux.

Captain Roger Berube of Calahoo was presented with the Morinville Sports Association Trophy for winning the tournament and also received a cheque from Association Director Paul Krauskopf for \$335.00.

Calahoo had an opening 9 - 5 win over Wellington Park of Edmonton and semifinal 5 - 1 win over Namoo to advance to the final.

Morinville took out St. Albert 9 - 3 in their first game and squeezed by Villeneuve 3 - 1 in the semifinals.

Namoo eliminated Gibbons 5 - 0 and Villeneuve scored an overtime 3 - 2 win over Legal.

Andre Contant from Calahoo led all tournament scorers with eight goals and three assists with Fred Hesse of Morinville runner up with six goals and three assists.

Morinville Sports Association awarded player awards, presented by Paul Krauskopf to Fred Hesse,

Commercial League playoff action

Rogers/Grandia Esso and Grandia Gulf came up with victories in their opening playoff games in the St. Albert Mens Hockey League. Gulf scored a 5 - 2 win over St. Albert Pharmacy in the B series while Esso dumped Premier Esso 7 - 2 in the first game of A finals.

Don Darling (2), Sheldon Webb, Pete Van Brabant and Don Stewart scored for Gulf while Dan Higgs and Dan Rosenberg counted for Pharmacy. Joe Laplante's three goals paced Esso over Premier.

FRED HESSE
(most valuable forward)

most valuable forward and Mike Beshara of Morinville, best defenceman.

Richard Cosgrove and Doug Hall shared goaltending duties for Morinville allowing 13 goals, to win the goaltenders award.

Gerald McGinn played in all Calahoo games and gave up 14 goals.

The win for Calahoo was their second in a row over Morinville.

Fred Hoerber chipped in with two and Dan Chugg and Dan Bowmister added the others.

Premier marksmen were Brian Zamisky and Cal Swain.

Lacrosse basics for beginners & fans

This is the first in a series of articles designed to acquaint both novice players and fans with rules governing Canada's National sport, Lacrosse, beginning with the diagram of the playing surface.

Games will begin in May at St. Albert and District Arena, and continue through the summer. It is the intention to provide potential fans with a fundamental knowledge of this exciting game, which is growing in popularity across Canada.

About 20 men showed up at Friday's clinic. In an age range from about 23 to 45. Following light calisthenics for warm-up, Don Anderson went into the basics of lacrosse; picking the ball up,

throwing and catching. Ninety-five per cent of those attending had never had a stick in hand before, and all enjoyed the session. These Friday workouts are held weekly at 9 p.m. at Sir Alexander Mackenzie gym.

Mr. Anderson will be

meeting with local physical education teachers in about two weeks, to discuss with them a program for lacrosse in school. The game is relatively inexpensive to bring into schools, and is a great sport for conditioning, says Don.

DIAGRAM OF THE BOX

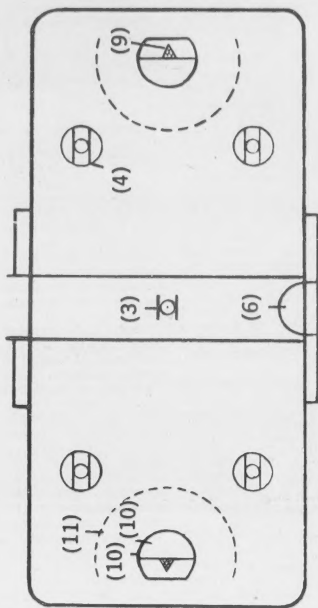

Diagram of a Lacrosse playing surface, properly marked. It should be noted that there are no offside in lacrosse, and the ideal floor area is 200 x 90 feet. Goals (9) 4 x 4 ft., pegged 4 ft. behind goal line. Centre Zone 3 has two lines located 11 feet on each side of the centre of play area, with face-off circle and referees crease (6). Figure 4 shows end zone face-off circle. Goal line (10) is 12 ft. from and parallel to end boards. It divides the goal crease (10) and forms its radius. Figure 11 shows the free throw line, 24 ft. in radius.

Lacrosse demonstration pleases keen parents

The demonstration for the use of lacrosse equipment at the Clubhouse Thursday, March 1 drew a disappointing number, but the 16 interested parents who attended the extremely well run and well thought out clinic gained a great deal.

The film on lacrosse was enjoyable and parents got a look into the fundamentals of the game and newcomers to the sport had a chance to see what it was all about.

All the many questions about equipment were ably dealt with by Jim Jones, who has played lacrosse for 16 years and was full of good ideas to use available hockey equipment that may be kicking around during the summer months. Boys playing lacrosse will be required to come out in full equipment and kidney pads seem to be the area of great-

est concern. The small gathering of parents were of the opinion that kidney pads like helmets and the other body guards should be made compulsory right from the beginning. Lots of good ideas to make-over body protections were entertained and the mothers were very willing to try some improvising to cut down on the initial expense of the sport by sewing themselves. Jim had some adequate equipment that has been used by ingenious parents while their sons did their growing.

Lacrosse sticks like hockey sticks have a lot of little tricks to keep them in the best possible condition and Jim was good about explaining the care and taping of a lacrosse stick and the little tricks that will make the life of this piece of equipment longer.

The club is gaining a lot

of momentum promoting this popular sport and members are looking forward to the spontaneous enthusiasm of the boys reflected in their parents. For those tied up on the nights of the clinic

(when young men from Edmonton come out on their own time) come out to your sons practices and the parents who have picked up tips at the clinics will be delighted to share them.

WI hears speaker from Calgary

The St. Albert WI held their February meeting in the home economics room of Sir George Simpson school on Feb. 26. Twenty one members and 10 guests were present.

Plans are being made for a tour of the Legislative Buildings on March 28 by the members.

The All-St. Albert Fashion Show plans are well under way. The merchants of St. Albert are participating in this annual event for the WI. Tickets are on sale now and can be purchased from any member. The tickets can also be purchased at Robinsons Pet Shop in the Grandin Shoppers Mall. This fashion show will be held April 6 at Father Jan auditorium.

The Lions Club donated three wheel chairs and two walkers to the hospital equipment already available from the WI.

Mrs. Barbara Kuchmak, home economist from Calgary Power was guest speaker for the evening. She demonstrated the art of fonding in meats, cheese and desserts. She also told about the information that can be

St. Albert Singers will perform at Unger school

St. Albert Singers will be performing at the 10th anniversary dinner of the Evelyn Unger School to be held at the Chateau Lacombe on Wednesday, March 7.

The "Singers" under the direction of Don Goodwin, accompanied by Ed Connell, piano; David Miller, bass; and Tom Dancaek, drums will be presenting a medley of tunes ranging from "Ave Verum Corpus" by Mozart, to "Hild My Mule While I Dance Josey" by Harrison.

This is the second performance this year by the "Singers," the first being a medley of carols at the Youville Home. We hope to return in the near future to Youville Home with the medley we are presenting at the Chateau Lacombe.

The St. Albert Singers meet every Monday at 7:30 in the music room of the Albert Lacombe School. New members are always welcome.

obtained from Calgary Power, on such topics as carling for appliances, aides for remodelling kitchens to your specific needs, and numerous cookbooks available to the public.

For roll call each member and guest was to bring a bag of "junk." Out of these articles interesting and delightful "Easter Cards" were constructed to the amusement of all.

Open House Thursday at Father Jan

On Thursday morning parents again are invited to visit the school, sit in on classes and participate in the lessons if they so desire. For several years now Father Jan teachers have used this approach to establish a meaningful relationship and provide an opportunity for parents to gain a better understanding of the educational process and the pleasure and problems that students and teachers share. Classes will continue as usual and parents will be free to come and go during the morning periods. One of the special features will be the operation of the Visual Tape Recorder where parents will have an opportunity of seeing themselves on television.

Coffee will be served in the library where handicrafts will be on display.

Birds of a feather coming to the Mall

A gaggle? A flight? A flock? Birds of a Tether are preparing to descend on masses on Grandin Shoppers Mall this coming Saturday.

Ubiquitous Spitfires, Garish Sa'tns, carrier landing craft and many other hand built and hand flown models will be on display. Some painted in utilitarian colors, all treated with the love and respect only a true hobbyist can devote.

The conversation will describe the various advantages and disadvantages of different types of fuels, landing gear, flap controls and engines.

Birds of a Tether are a group of model aircraft enthusiasts who are devotees of control line model aircraft flying. The club was formed in 1971 in Edmonton. The purpose of the display this Saturday is to awaken interest in control line flying in St. Albert, introduce adults and youngsters into the "how to" techniques of control line flying, introduce contest flying and commence arrangements for a suitable flying site in the St. Albert area.

Edmonton Birds of a Tether currently enjoy a membership of some 65 members. Past President, Bill Harder, is the leading stunt flyer and scale building for the club.

Mr. Dan Gordon, president, would like to see new members in the St. Albert area and is very concerned about the people who buy ready made ships like the PT 19, or build their own ships and crash them on

Dave Arseneault, left, Terry Doran, Bernie Munawich, a newcomer to St. Albert, and Bill Harder, fire up an A/C-P61-B Black Widow. They are members of the Edmonton Birds of a Tether model aircraft club, which will conduct a display on Grandin Mall Saturday.

Photo by Larry White.

first take off, the club members are only too pleased to give advice and tuition so that newcomers to the hobby are not disappointed after the first take off or first crash. To utter a well worn cliché in the aeronautical world, "if you can walk away from a landing, it was a good landing." All club members become quite adept at picking up the pieces and flying the ship again.

For the unusual display why not come in for a landing in Grandin Shoppers Mall this Saturday, March 10, kids bring dad. Dad, let mum do the grocery shopping and talk about a real hobby.

Town Accepts \$554 Debt Incurred By Snowmobilers

Council Monday night agreed to assume \$554 in liabilities incurred by the St. Albert Snowmobile Association while it was in operation during the first part of the year. The motion was made by Councillor Bob Hudson and carried by a vote of 5 - 1. The vote indicates that council Monday night was short of one member, Councillor Frank Lukay and also shows that Councillor John Bakker is consistently opposed to snowmobilers and anything allied to these pesky machines.

Wally Semotluk, a member of the St. Albert Snowmobile Association made the appeal for the funds in a prepared brief. Mr. Semotluk explained to council that this sum of \$554 related to purchases made by the association for speed limit signs and snowmobile registration numbers plus other items required to keep the asso-

ciation in operation.

"Now that the Sturgeon River has been outlawed to us," Mr. Semotluk said, "we feel that town council should assume that portion of the liabilities the association was left with when Bylaw 7/73 was ratified recently."

In qualifying this statement Mr. Semotluk went on to say that the St. Albert Snowmobile Association had been led to believe that it would operate for the entire season before council decided to pass the bylaw. With that in mind, the association went ahead to put its program in motion and thus incurred debts as it went along.

"If we had been permitted to continue with our plans," Mr. Semotluk said, "we could have managed our liabilities through the sale of memberships." He concluded by saying that now it was almost impossible to sell memberships and so the debts incurred would have to be borne by five members of the executive, two of whom are from the one family.

In making the motion, Councillor Hudson expressed the view that it would be unfair for town council to leave five members of the Snowmobile Association executive with the responsibility of this debt, since council legislation had rendered the snowmobilers seriously handicapped.

Councillor Rod Thordson opposed the motion because he felt that if the snowmobilers were bailed out of this debt they would then disband and leave St. Albert without a group to continue with their work. Mr. Semotluk told council that the \$554 obligation would not hold the association together, in fact he suggested that it may have the opposite effect.

Mayor Ray Gibbon, in speaking to the motion, disagreed with Councillor Thordson's theory. "I do not see how leaving the association on the hook with a \$554 debt will keep them together as a functioning unit," Mayor Gibbon said. Councillor John Bakker took up the debate by advancing a proposal that the snowmobilers ought to make a request for a grant rather than expect council to pick up the tab. He further said that town council should not have to pay debts for any organization, regardless. "If we start doing this," Councillor Bakker said, "we'll be deluged with deficit claims from every local organization which fails to operate successfully." In reply to Councillor Bakker's views, Mr. Semotluk told council, "you let us down and therefore we are now unable to operate and meet our obligations."

Before the vote was called, Councillor Myrna Fyfe spoke in favor of paying the \$554 claim. "Because of council's previous commitment," Councillor John de Bruijn, while speaking on the motion expressed the view that the Snowmobile Association had done a good job in starting snowmobilers on a safety program and great strides were being made toward solving many of the local problems "and that in itself is worth something," Councillor de Bruijn

Visiting the St. Albert Curling Club last Saturday afternoon for a pre-brier workout was the Saskatchewan champions team of Harvey Mazinko, Bill Martin, George Achymiechuk and Dan Klippenstein. Seen here outside the club with Maurice Hill who is their driver and guide for their stay in Edmonton for the Brier.

concluded by saying that council had led the association to believe that it would be free to operate until the end of the season, therefore council ought to assume the \$554 responsibility.

Councillor Rod Thordson who previously expressed the wish that the snowmobilers remain as functioning unit, made a motion that council request input from the Snowmobile Association, St. Albert Safety Council and the RCMP in drafting a new snowmobile bylaw dealing with all phases of snowmobiling in St. Albert. His motion was carried unanimously.

Local designer wins award

Mr. Ernie Koch, a resident of Ridgewood Terrace in St. Albert, and owner of Urban Design Associates, will receive a Landscape Design award for his work on an Edmonton bank building development from the Alberta Horticultural Association in co-operation with the Alberta Nursery Trades Association and the Alberta Association of Landscape Architects.

Mr. Koch and his wife Helen will attend a reception and dinner at the Crossroads Motor Hotel in Calgary on Friday when the awards made annually in a number of categories will be presented. Lieutenant-Governor J. W. Grant MacEwan will be a special guest of the Horticultural Association.

ERNIE KOCH

In the landscape project which won him the award, Mr. Koch used large vertical black timbers along with boulders to mark out parking areas, and effective employment of aggregates (coarse sand and tree bark) in all shrub areas. Both are functional and both add to the aesthetic appeal. The timbers making parking easier and lend beauty in winter when shrubbery has a lesser attraction. The aggregates slow evaporation and leave the shrub beds virtually maintenance free. A rather extensive use of creeping vines takes away from the harshness of the timbers, through lending them a supportive base, and creepers also add interest to gravel areas. The Royal Bank project was completed late in 1971 on 145 Street and 118 Avenue.

In the area of residential landscape design, Urban Design Associates were awarded a first and second prize at the 1971 Parade of Homes in Calgary, when a Japanese garden design for a small area and an interior courtyard plan were included in Mr. Koch's work.

His firm does work in Edmonton, Calgary and Vancouver and Mr. Koch particularly enjoys working with Highfield Development

Corporation of Edmonton Ltd., who are much interested in the environmental aspects of development. "They average \$30,000 an acre in landscape construction cost per client," he said.

Urban Design did the landscaping of the Industrial sub-division Richmond Executive Park in Vancouver for Highfield, and also for Canada Way - a two-storey office building with central courtyard in the Park. It is of interest to note that Richmond Executive Park was built on swamp land, using a sand-loaded base, in the interests of preserving arable land, and in addition it was built on the city's perimeter line, rather than the downtown core - reversing peak traffic flow pattern. It is a self-contained park with high calibre office buildings using 85 - 90 per cent of the space.

Ernie Koch, who has no university training, has a passionate interest in all areas of design - landscape, homes, office buildings, interior design, furniture design, and for a hobby he turns to dress design and jewellery.

His firm did a number of office layouts on the Boardwalk, the fountain at the Royal Alexandra Hospital, numerous lobby interiors. His use of berms (soil hills) in the landscape design of Garneau Tower in 1964 was a first in western Canada. The planted soil hills separate traffic area from private patios in this development.

He specializes in structure landscaping and likes to "make imaginative use of vertical timber walls, screens, large planters and trellises.

Mr. Koch is outspokenly critical of Edmonton downtown buildings surrounded by a mass of concrete, even in areas where there is plenty of room for excellent environmental landscape design.

Before coming to Canada in 1954, Ernie Koch studied horticulture in a college similar to the one in Olds and he worked three years in Oshawa as a horticulturist with a private landscape company. He moved to Edmonton in 1957 and spent 21 years with the City Parks and Recreation Department. A study he did on 8,000 acres in the Edmonton river valley, including preliminary and final zoning he considers the most worthwhile job he has ever done, and it led to the elimination of the Whitemud freeway plan, he

Questioned about his lack of formal training, Mr. Koch said, "many people come through the school of doing first - including men like

Frank Lloyd Wright and Beurlie Marx.

The Koch's have a daughter Susan - interested in animation design who has at the age of 12 earned some money at it, and a son Rob For relaxation? "The kids and I are ski nuts," he said, "which reminds me I loved

working on the Lake Eden ski and summer resort for Terrace Corporation."

Comment From Ottawa

By MP Marcel Lambert

Speaking to the Quebec PC Association the evening before the federal budget was presented, Robert Stanfield said - "The problem of inflation must be dealt with now and in the future by means that do not create high levels of unemployment . . . by means that do not allow such levels of unemployment to persist indefinitely. The old-fashioned simplistic method of indiscriminately slowing down the economy to counter inflation is totally discredited. This approach is not only damaging to individuals, it is disastrous in its effects on the entire social fabric of the country."

Over 680,000 of our people are out of work. The cost of living in Canada has risen to an almost unbearable level - particularly for those who are living on low or fixed incomes, such as pensioners, the poor, those on welfare. Over half of the increase in Canada's cost of living is due to the high price of food.

In other words, Canadians are suffering because of two major economic problems - unemployment and inflation. And the Trudeau government which should be operating on the behalf of the people, is continuing to refuse to face these problems head-on and solve them.

In his February 19th budget, Finance Minister Turner reduced personal income taxes. He rescinded the capital gains tax on transfers on death of bona fide farm land within the family unit. He raised pensions to offset increases in the cost of living.

He did not, however, include in his budget measures to prevent further increases in the cost of living or to substantially reduce unemployment.

The problems of unemployment and inflation persist and the government's basic policies with regard to economic management have not changed.

To counteract inflation,

our budget would have included provision for a 90 day freeze on prices and incomes from which fresh food would be exempt.

The 90 day freeze on prices and incomes would be

used to consult with the provinces, businessmen, union leaders and consumer groups about the range of guidelines we would use to combat inflation after the freeze.

To reduce unemployment, our budget would eliminate the federal sales tax on building materials, thereby stimulating the construction industry.

We would remove the fed-

eral sales tax on all clothing, including children's clothing.

We would provide for the immediate implementation of our Canadian Investment Incentive Credit Plan to en-

courage investment in small Canadian business.

My amendment in the budget debate was to demonstrate solutions to the two problems of unemployment and inflation.

Budget criticized on Unemployment & Inflation

2500 Alberta children each need a Mother and Father

Could you share your happiness with a lonely child?

Some things are even worse than being maltreated, neglected, deserted or half-starved. Like being forgotten. Ask one of the 2,500 or so youngsters in Alberta who need foster homes. Some of them are mere babies, shocked and frightened at being separated from their true parents. Others are teenagers; resentful, shy and unwilling to trust anyone. All are in need of a special kind of patience and understanding.

That's why we'd like to borrow your family for a few years. To reassure these forgotten kids. To help them over the hurdles of adolescence. To give them the normal family life every child deserves. If you think you have the right combination of patience, perseverance and humour, why not call us now. You could be making a friend for life.

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS' OPINIONS

Valuation Day Appraisers Must Be Checked - Hackett

Re-issued by W. O. Klatt, District Agriculturist

The head of the Alberta Department of Agriculture's Farm Management Branch, Bruce Hackett, strongly advises farmers to check the qualifications of people offering to do Valuation Day appraisals. Some are qualified -- some are not, he says.

There are professional accredited appraisers who value farm property, all of whom carry a card issued by the Appraisal Institute of Canada. Anyone is at liberty to ask to see this card. If in doubt about an individual or firm, check with your Better Business Bureau. Mr. Hackett also suggests getting a written price quotation before deciding to have an appraisal done and that you make sure the information will be what is required and of sufficient quality to be useful as a valuation.

The Valuation Day list of appraisers and their estimated fair market value should not be submitted to the Department of National Revenue. This department will NOT certify the values now, but will be interested in them when the property is sold. In the meantime, the list and supporting evidence should be kept in a safe place.

There are several reasons to the valuation of farm assets available which a farmer can use to prepare his own appraisal. The type of information needed to prepare a property valuation includes the cultivated acreage, the type of soil, topography, type of crops and yields, water supply, distance from a commercial development, types and values of buildings, the date the farm was purchased and its original purchase price. The value of comparable farms in the area that have been sold recently should also be recorded.

Mr. Hackett says the most important part of this type of appraisal is to obtain, record and keep sufficient information about your farm to substantiate the use you are making of the property on Valuation Day and the value you placed on it at that time.

Property valuation became necessary when the tax on capital gains was

included in the new Income Tax Act. The act requires that a value be placed on

capital property that was owned on December 31, 1971.

Weeds Blamed For Yield Losses In Western Canadian Rape Crops

Re-issued by Wally Klatt, District Agriculturist

Well documented research in Western Canada has shown that weeds are responsible for greater economic losses in rapeseed crops than any other production hazard. In fact, many reliable authorities have stated losses from weeds are greater than those from disease, insects and all other hazards combined.

Although research has also shown that rape competes well with weeds, when compared with a number of other crops, the Canada Weed Committee research reports, on studies carried out in Western Canada during 1970, 1971 and 1972, provide plenty of evidence that the chemical removal of weeds gives very significant and economical yield increases.

The head of the Alberta Department of Agriculture's Weed Control Branch, W. Lobay, says that Treflan,

Avadex BW and Carbynewill all control wild oats in rapeseed crops. Treflan and Avadex BW are both pre-plant herbicides which can be applied in either the spring or the fall. Carbynewill is a post-emergence chemical which should be applied when the majority of the wild oats are in the two-leaf stage.

Treflan, TCA and dalapon all control green foxtail in rapeseed. This weed is becoming of increasing economic concern in many parts of the province.

Although there are still problems with broad-leaf weeds in rape crops, Treflan will control lamb's quarters, redroot pigweed, wild buckwheat, Russian thistle and chickweed. The post-emergence herbicide, Tok/RM, controls annuals like lamb's quarters, redroot pigweed and smartweed if applied when the weeds are in the early true-leaf stage.

Benazolin, another post-emergence herbicide, is mainly used for controlling wild mustard in rapeseed but it also suppresses the growth of lamb's-quarters, redroot pigweed, and wild buckwheat. At present, cost is one of the limiting factors in its wide-scale use.

Some reports indicate that both nitrofen and benazolin depress the growth of cleavers in rape, but will not eliminate it. Since herbicides like 2,4-DP, MCPP, dicamba mixtures, and Linuron plus 2,4-D have given effective control of cleavers in barley, they should be used in this crop if the same land is to be planted to rapeseed the following year. Cleavers is a serious problem in rape crops because its seed is the same size as that of rapeseed and difficult to remove.

Since it has been well established that rape performs best when grown on fallowed land, Mr. Lobay strongly advised farmers who will be growing this crop in 1973 to seriously consider planting it on last year's summerfallow. Hopnitsos point out that there are more herbicides that can be used to control weeds, particularly the broad-leaf types, in cereals than there are that can be used on rapeseed crops.

Attention Hog Producers

By Wallace Klatt, D.A.

The Hog Marketing Board and Department of Agriculture personnel are conducting meetings to inform producers as to forward contracting.

These are contracts whereby the hogs will be exported off-shore or overseas. The domestic marketing process will remain as is.

As implied, contracts will be drawn up between the producer and buyer that covers a certain number of hogs (including weight) over a specified period of time. Bonding will be necessary. These subject meetings will be held as follows:

Monday, March 12 - Redwater 1:30 p.m.

Tuesday, March 13 - Calgary 1:30 p.m.

Wednesday, March 14 - Westlock 1:30 p.m.

Thursday, March 15 - Athabasca 1:30 p.m.

Friday, March 16 - One-way 1:30 p.m.

Wednesday, March 14 - Edmonton (Sportex) 1:30 p.m.

Re-Upholstery Meeting Set

A third re-upholstery course is planned for mid-April. Those who wish to participate in this course are asked to register as soon as possible. A maximum of 15 will be accepted. A \$3 pre-registration fee should accompany your application.

A pre-registration meeting is scheduled for March 12 at 2 p.m. in the committee room of the MD building in Morinville.

Materials required for the course, fabric, tools, etc., will be discussed at that time. A selection of fabric samples will be on display.

On Losing Weight... Or Have You Gained?

By Pat Prymak

District Home Economist.

How much did you gain over the holiday season? Almost everyone I've talked to has gained at least a few pounds. And for those of us under 5' 3" even a "few" pounds can be a disaster! Here are some suggestions to get your weight back to normal.

1. Clear the house of Christmas candies, cookies, nuts and other goodies. Freeze the extra baking or invite your skinny friends over for a post-Christmas clean-up. Unless you have supreme will power (and if you've gained weight you obviously don't!) knowing that there is a pound of fudge, a bag of nuts, or a dozen or two of shortbread cookies still in the cupboard will delay your battle of the bulge for another week or a month.

2. Don't be tempted to go on a "crash" or "miracle diet. The Gradefruit diet, low carbohydrate or Drinking Man's diet will result in TEMPORARY weight loss.

As soon as you go back to eating normally, your weight will pop back up. What has happened in most cases is that your body has lost fluid due to the unbalanced diet. Staying on these diets for an extended time can be very harmful to your health.

3. Do follow a sensible, well balanced diet. If you have gained only about five pounds or so, simply modify your normal eating habits. For example, skip desserts, any "extra" helpings, any snack foods and cut down on carbonated or alcoholic beverages. If you are accustomed to drinking whole milk, switch to 2 per cent. Within a couple of weeks, your weight will likely be down to its pre-Christmas level.

4. If one of your New Year's Resolutions was to lose those extra 20 or 30 pounds you've been carrying around for the past few years, contact my office for the "Losing to Win" diet plan. It is essentially the same as the Weight Watchers plan or the Diabetic Diet. Basically, you should include in your daily diet 1 1/2 cups of skim milk; two servings of vegetables, one of these being a leafy green type; one serving of potato; one serving of bread

with butter or margarine (one tablespoon); two servings of fruit, one of these a citrus fruit; and one serving of meat. As you notice, all the basic foods are included so you can eat along with your family. Preparation methods should be altered so that foods are cooked and served without frying, sauces or starchy accompaniments.

Good luck with your weight reduction program!

Fertilizer Shortage Seen

By Wally Klatt

District Agriculturist

There will could be a shortage of required fertilizer for this spring seeding. The Wheat Pool reports that farmers should enquire into the supply of fertilizer, and establish dates of deliveries.

It is sound advice for a producer to establish his fertilizer supply at this time.

Warble Check-Up Time

Would those of you who haven't yet treated your cattle for warbles go out and check your animals now? If you discover any "grubby" animals, have them treated as soon as possible. The fieldmen are ready, willing and able to come out and spray your cattle. Just pick up the phone and ask them, you'll see!

News from Calahoo

By Liz McLeod

An item of interest to Calahoo and district residents wanting to have no-charge telephone service to Edmonton: The previous sheet of signatures did not have the proper informa-

tion, so there is a valid sheet in the MM Store now. People not on the Edmonton line can sign name, occupation, address and land description (one to a family).

Many Flaherty of Onoway

GIBBONS NOTES

By Sam

Tom Hogg, Jerry Boisjoli, and Bill McEwen recently spent a weekend skiing at Kalowina, B.C. Laura Rocque and Linda Taylor accompanied the boys.

Get well wishes to Harvey McLean and Mrs. Bass at the General Hospital in Fort Saskatchewan.

Dana Coley flew to Phoenix Arizona and will drive home with her parents Tom and Oliver Coley who have spent the past few months vacationing in Arizona.

The Gibbons peewees defeated Fort Saskatchewan 4 - 2 last week. Scoring two apiece were Shaun Kerr and Robbie Kerr.

Winners of the Sno'Ball '73 ticket draw, first prize Ernie Hall, Gibbons, second J. Sapowynk, Redwater and third M. Foster, Edmonton.

Mr. Bill O'Rourke has returned from a holiday in California visiting with his sister Mrs. Mary O'Rourke.

Coaches are needed for

girls and boys ball teams. If you are interested please contact K. Mahbutt - 799-3896.

Sincere sympathy to Mr. and Mrs. Don Williamson on the loss of his father, Jim Williamson of Dinsmore Sask. Colin McLean and Ren Gibbons motored down to attend funeral last Saturday.

Sympathy is extended to the Ernie Keryluk family on the recent death of Mrs. Keryluk's grandmother.

Mark your calendar for the Community Centre annual meeting March 13 at 8 p.m. in the hall. This includes our new residents as well.

Cake decorating classes will be held Tuesdays at 8 p.m. at the Hall.

Variety Night - April 7.

Rummage Sale - March 31

Sympathy is extended to Alex and Connie Roberts on receiving word on the death of their sister Mrs. Edith Fields of Whittier, B.C.

visited with Arvilla Majean and Clara Loyer and enjoyed reminiscing about the good old days, over a cup of tea.

Mylos and Daphne Kerr, Pete and Liz McLeod and Clara Loyer had the same thought in mind the other day in Stony Plain, and went to visit with Gerlie MacDonald and had the pleasure of seeing her daughter, Dorothy Quintal too.

A pleasant evening was enjoyed at Angie Mosellmann's jewellery party.

Peter Dhoedt was a visitor to the M. Kerckhof's home, Louis Kerckhof, Darrel Loyer and Cliff Burris accompanied Peter to Don Schermund and Lois Schermund's wedding and dance in Stony Plain March 2.

Congratulations Calahoo Scorpions on winning the league championship in senior hockey! And to J. Contant who received a beautiful trophy for the highest scorer, to goalie Gerald McGinn for his brilliant performance in goal and to each and every player for good team effort, and of course to coach Blackie Quintal.

Fences are becoming a thing of the past. If you want to know precisely where your own property ends and your neighbor's begins - watch him carefully the next time he cuts the grass.

Namoo Youngsters Enjoy Physical Culture Classes

Mrs. Thomson, assisted by Mrs. Jean Monaghan of Namoo conduct a class for four and five year olds and children in grades one and two at Namoo every Wednesday afternoon from 3:30 to 5 in physical culture. There are both boys and girls in the class and all seemed to enjoy themselves equally. What impressed us was the complete immersion of the children in what they were doing and the creativity and co-ordination they displayed.

In Mrs. Thomson's native Australia, physical culture begins for most children at the age of three and continues on into adulthood. This is when instructor Mrs. Margaret Thomson of Edmonton began her training in this extremely graceful form of exercise.

There are eight more weeks of classes and because physical culture is not progressive it is possible to join at any point in the program. The cost is \$5 per child.

Mrs. Thomson has also taken a course in creative movement at the University of Alberta where most of her fellow classmates were teachers who hope to introduce this art form into the school systems.

The classes are sponsored by the Namoo Community League and the Recreation Department, MD of Sturgeon

Namoo's four and five year olds as well as grades one and two pupils respond enthusiastically to physical culture classes. The children show complete immersion in what they're doing which results in a most encouraging experience for the instructor, and of course a great deal of enthusiasm by the young students. Eight more weeks of instructions remain in the course.

Adult physical culture classes are now in progress in Bn Accord and another is about to begin in Gibbons. A soft leather course has started this week in Horsehills and a course in basic crocheting will begin on Monday, March 12 from 8 to 10 at the Horsehills School. Cost is \$2 plus materials.

Mrs. Kay Gogeria and Mrs. Peggy Wenzel are the instructors.

For more information, telephone Miss T. Ruth McCullough or Mrs. Jean Smith, arts and crafts co-ordinators, Recreation Department, County Building, Morinville, Telephone 256-2231 or direct city line 424-6276

MORINVILLE MEMOS Winter Wonderland

By Flo McGinnis

Thursday, March 1 saw "THE" broomball game of the year in the Morinville Arena. The RCMP were pitted against Edmonton City Police in a fund raising event, (should that be hair raising?) sponsored by the Sports Association. At any rate the City Police won 8 - 7 in a hard fought battle \$59.50 was collected at the gate which goes as a direct contribution towards artificial ice for the Morinville Arena. Future events are planned along the same lines and it surely is a worthwhile project so watch for posters.

Still on the sports line - the Ray Charest rink brought home a prize from the Red-water Bonspiel that was held Feb. 24-25. There were some 48 rinks entered and the Charest rink came up with third in the first event. The rink consisted of Ray Charest, Eugene Charest, George Morris and Joe Le-due.

Don't forget the Wine and Cheese party on March 10 in the Morinville Centre. Tickets are available at local business places and there will be a door prize drawn from advance ticket sales. Solenge Bachand, convener, reports that the Christian Ladies, who sponsor this annual event, have engaged the Satellites for everyone's dancing pleasure. There will be wine and cheese from 9 - 10 p.m. and dancing from 10 p.m. till 1 a.m. Cards will be featured for those interested. At midnight there will be a supper of spaghetti and meat balls served. For further information you may call Solenge Bachand at 256-3497.

1/4 SECTION - 8 Miles from Morinville. No. 6 Soil - fully cultivated. Priced to sell at \$18,500.00.

MOBILE HOME set on 100' x 132' Lot. Three years old - 12' x 60' with 10' x 24' addition. Stove, Dryer and Fridge included. Priced at \$12,600 complete.

MOBILE HOME, 7 months old - SACRIFICE NOW 14' x 68' Fully Furnished. \$500 Down and \$133 Month.

4 BEDROOM, 2 STOREY ON MAIN STREET. FOR QUICK SALE AT - \$6,500.

The Senior Citizens Rendezvous Club will be holding a Whist Drive and Bingo on Friday, March 16 beginning at 8 p.m. The bingo will be played with decks of cards, just to make it all interesting and fun. Lunch and prizes are on the agenda, and everyone is welcome. Come and join the senior citizens in their new "Hut."

The regular afternoon card parties are still going strong and any of you who have not dropped in yet are invited to do so. Any Wednesday about 1 p.m. you can join in the card games and cheerful companionship.

Senior citizens birthday roster shows: March 4 (belated wishes) to Floyd Voll-rath, Ubald Chevalier and Edward Schayes. March 8 - Marie-Ann Beaupre and Arthur Bachand. March 12 - Herman Keiser and on March 13 - Sid Weiss. All the best wishes go out on these 'Happy Birthdays'.

The United Church Ladies Aid will hold their next meeting at the home of Lydia Baer on March 14, at 8 p.m. sharp. New members are welcome and invited to attend. If you have any queries regarding the United Church services, please call Jean Robinson at 256-3153.

Simone Chevalier reports that plans are progressing well for the 1973 parish supper and cash bingo. An annual event, the supper and bingo will be held on Sunday, April 1st this year. Activities will get underway at 5 p.m. in the Morinville Centre.

The town council passed a motion at their regular meeting Feb. 27 to accept the Sturgeon Regional Recreation Council agreement. The steering committee had worked on the preparation of an agreement that would be 'suitable to all' for more than 10 months, and are anticipating that all five of the "Co-operating Authorities" will accept it. The five authorities are: MD of Sturgeon, Town of Morinville, Villages of Ben Accord Legal and Gibbons. The Morinville Recreation Board feels that with this agreement a much broader recreation program can be offered, and by this each and everyone of us will benefit.

Deadline for registrations of the Keep Fit classes is Friday, March 9! The quota is almost filled so if you haven't got your name in yet, you'd better hurry. Call Dorothy Daignault at 256-3465. The classes will be held in the gymnasium at G.P. Vanier High School, from 7:30 - 9:30 each Monday and Tuesday. There will be two separate classes and for only \$5 you can take the 10 week course, a total of 20 hours instruction. It is a course in physical fitness and toning-up exercises, sponsored by the Morinville Recreation Board.

The Frontier Daze Association project this year is to raise money for artificial ice for the arena. This is one of our most needed requirements, and by promoting Frontier Daze, June 23 and 24 we can all help attain that goal.

Mr. and Mrs. Felix Maier owners of the Morinville Hotel announced on March 1st that they have received their licence to sell liquor in the hotel. After extensive renovations, purchase of new equipment and furnishings the Morinville Hotel is now licensed to sell liquor, wine and beer. Mr. and Mrs. Maier very pleased that after "a very long wait" they now can offer a complete service to their customers.

By Flo McGinnis

On Sunday, March 11 the Morinville Ice Carnival gets underway at 2 p.m. with this year's theme of Winter Wonderland." The Morinville Drum and Bugle Band will open the festivities with the crowning of the queen to follow immediately. Pete Gibeault will be the MC for the afternoon, introducing guest skaters and local talent.

There are 76 students taking figure skating lessons in the Morinville Lions Figure Skating Club, ranging in age from four years to 15 years and each group will have their very own act. Of course the Lions Club will perform their annual comedy routine for the enjoyment of all, but especially for the little ones. Guest skaters from the Kennelworth Club in Edmonton will include a dance couple, a duet and a male solo. Miss Sharon Sullivan of the Kennelworth Club will perform a solo. Sharon is the daughter of Marg Sullivan of Ben Accord, the teacher for the Morinville Lions Figure Skating Club.

Miss Kelly Johnson, 1972 carnival queen will do the honors by crowning the new queen, and Leonore Gibeault, president of the Lions Club will present the 1973 carnival queen with gifts from the Morinville Lions Club.

A demonstration of power

skating is on the program as well, so you can see that it is an afternoon of 'family entertainment.' Set aside Sunday, March 11 for the whole family and come out to see Winter Wonderland.

The ticket draw will be held at intermission, and winners will receive their cash prizes by registered mail. Make sure you have plenty of tickets, supporting the queen contestant of your choice.

For a full afternoon of fun and excitement the admission is only 75 cents for adults and 25 cents for children. Be at the Morinville Arena at 2 p.m. March 11.

NAMAO NEWS

By Norma Crozier

Aloha! After holidaying in Hawaii it was nice to return home to Namao and balmy Alberta. We found Walkiki a little too busy but there was always room for our beach mats and lots of ocean to swim in. We spent our last five days on the big island, Hawaii, and found touring it most interesting, especially the volcano, a sight we'll never forget.

March meeting of Namao UCW will be held at the home of Mrs. Robert Stanton on March 14 at 1:30 p.m. Everyone welcome.

Mrs. Phoebe Crozier is coming along well in Royal Alexandra Hospital after surgery.

Get well wishes of the district to Chester Crozier in Royal Alex Hospital for surgery on his arm.

Sympathy of the district is extended to Mr. and Mrs. Douglas McBurney and family in the loss of their son Blair, who passed away on Feb. 27 aged 14 years. Survived by his loving parents, three brothers and two sisters; Brian of Cambridge Bay, NWT; Daryll and Derek at home, Mrs. G. (Beverly) Bain of Whitehorse, Wendy

of Lethbridge and his paternal grandmother, Mrs. Alma McBurney of Sauris, Manitoba. Funeral services were held Thursday, March 1st at Lancaster Park, Major the Reverend R. M. Bartlett and Reverend Dr. E. G. Miller officiating, with cremation following.

Congratulations to Mr. and Mrs. Melvin Clark on the birth of a baby girl, March 1 a new 4Her. Proud grandparents are Mr. and Mrs. Harold Clark of Namao and Mr. and Mrs. Ray Rigney of Bon Accord. The first grandchild for both families.

Anyone interested in sending their child to a four and five year old playschool at Namao, commencing October, 1973, please contact Mrs. Ann Maxfield at 799-5767 or Mrs. Rita Crozier at 799-3110, before March 23.

Namao Uniform meeting with Elmer Allen on New Taxation was well attended.

Namao Plus 60 Club at their meeting on March 8 discussed plans to purchase furnishings and recreation equipment for the hall with the New Horizons Federal Grant of \$1,900 which they received.

Sympathy of the district to Mr. and Mrs. John McNeilly and Johnny in the loss of Ollie's father Mr. Philip Schwindt of Spruce Grove who passed away suddenly on March 2.

Morinville Library News

Many of the recently purchased books are now on the shelves and to mention just a few: "Grizzly Country" by Andy Russell who is an

Constable George Mallett, left and Constable Jim Seymour of the RCMP Morinville detachment, add to the color and dignity of the mini-capades color party, and were warmly welcomed to Legal.

Fifty boys and girls in Legal delighted the large audience at their carnival with gay routines and skating progress shown.

Mini-Capades proves successful

By Lucienne Montpetit

Mini-Capades was a smashing success. This annual event is sponsored by the recreation board.

With everyone's co-operation, including the weatherman, the day was filled with the best for family entertainment on ice.

At 12 noon the shavers coached by Bob Holzer and Don Lalonde scored a close 8 - 7 win over Bon Accord. Mrs. Maurice Montpetit was hostess and Mrs. Victor Doblanko co-hostess for the afternoon program.

At 2 p.m. the program opened with O'Canada led by Roland Prefontaine which was followed by an opening message from Mlle Fete au Village (Margo Montpetit). Leon Brisson welcomed

everyone on behalf of the rec. board.

Marcel Dube on behalf of the village council and the residents of Legal and district conveyed a very special welcome to Constable Jim Seymour and Constable George Mallett who were representing the Royal Canadian Mounted Police from the Morinville detachment. Marcel said: "As you are probably all aware, the year 1973 marks the 100th year that the RCMP are in force. The rec board of Legal have seen fit through the Legal Figure Skating Club to pay tribute to these men. They have a very hard task to do, one that is not always pleasant or safe. They are in fact, our protectors in

the sense that they uphold the laws of our country and make it safe to live."

"On behalf of everyone I extend to the entire RCMP force our sincere congratulations on 100 years of good work and wish you continual success in keeping peace in the country. Let us remember that as the song goes... 'The Mountie Always Gets His Man.'"

The arena was beautifully decorated depicting the theme "Story Book Magic on Ice."

The figure skating program started with various numbers from the local skaters alternating with the guest skaters from Westlock

Mrs. Sullivan from Bon Accord, figure skating instructor has to be commended for the wonderful work she has done with her 50 students in so little time. Susan Alwyn from Edmonton was the choreographer for the mini-capades.

At 4 p.m. there was still real action on the ice when the St. Edmund's oldtimers won over Legal oldtimers by a score of 7 - 6.

The Legal Recreation Board and the Figure Skating Club wish to thank everyone who helped in anyway in making the mini-capades so successful and for showing so much enthusiasm and encouragement to the skaters.

SAT. MARCH 17 - St. Patrick's Bake Sale (Legal Co-op) Sponsored by St. Emile's CWL.

SUN. MARCH 25 - Cash Bingo - Legal Community Hall sponsored by the Mother's Local.

Golden Age Club Meets

By Liz McLeod

Another pleasant afternoon was spent Feb. 28 in the Gazebo, when 29 members, plus Mr. and Mrs. Charles Seeley and Mr. and Mrs. John LaFleur of Onoway, enjoyed each other's company playing shuffleboard, darts, cards and bingo.

In the short business session there were two thank you cards read, one from Alice Majeau thanking the members for their kindness following the loss of her brother, Mr. Morris Verstraete, and a card from Theresa Kaup, in appreciation of the club's thoughtfulness during her recent illness and hospitalization. Theresa is home and coming along fine now.

A letter from Marc La-

londe advised of a grant from the recreation department for use at the club's discretion.

Since every club should have a constitution, the one from Onoway's Golden Age Club was read to give an idea of what is required.

Lunch followed and happy birthday was sung to Mrs. Mary Kolesar (with candles on her cake) and Clara Loyer and Hector Boddez.

All agreed that these meetings are very relaxing, and how often would you see your neighbor otherwise?

With St. Patrick's Day coming in March the March 14 meeting should be a gay one.

Visitors are always welcome.

LEGAL LOCALS

By Lucienne Montpetit

Congratulations to Mr. and Mrs. Jim Dzeryk on the birth of their son Jeffery James, born on February 6 weighing 7 lbs. 2 ozs. A sister for Laura.

MINOR HOCKEY

By Flo McGinnis

Both the Morinville Pee-wees and the Morinville Shavers won their respective cups at the minor hockey week tournament held in Legal at the end of January and we feel that Morinville can be rightly proud of 'our boys.' Since then quite a lot has happened on the hockey scene.

In the peewee provincial playoffs the Morinville team did us proud even though they did not come up with the series. The second game played on March 2 between Leduc and Morinville ended up in a 5-all tie. Scoring for Morinville were Wayne Van Brabant with three goals, and Brian Hermanutz who put the other two goals in the net. It was a two game total point series and since Morinville had suffered a 9 - 6 loss in the first game, they lost the series. But both coaches felt that it was a very well played final game with both teams coming up with some surprising plays. Congratulations to the Morinville peewees for a well fought series.

Friday, March 2 also saw the Morinville Shavers playing against CFB Namao, and even though they came up with a 4 - 2 loss it's worth a big hurrah for the boys. This was only the third loss of the season for Morinville Shavers, which just goes to prove that Morinville is still putting out some of the best hockey players right from the word 'go.'

A precocious child was asked why she talked so much. "I don't know any big words," she explained, "so I use lots and lots of little ones to make up."

Do you know how much work and time goes into the preparation of our annual celebration Fete au Village held on July 28-29? It is hoped each and every resident will make it his or her responsibility to help to promote the celebration and the village. Attend the organizational meeting on March 13 at the rec. centre at 8 p.m. Help and support your recreation board.

The St. Emile's CWL will hold their St. Patrick's bake sale on March 17. All donations will be greatly appreciated. Proceeds are for the painting of the church.

The annual hockey banquet will be held on March 24. Doors open at 6 p.m. and banquet starts at 7 p.m. with the dance getting under way at 9 p.m. Tickets are \$6 per couple. Advanced tickets may be purchased from Leon Brisson, Omer Pellerier and Claude Maurier. Make plans now to have a good time and boost the hockey club.

Sixteen high school students thoroughly enjoyed a weekend at the College St. Jean where they attended the Rallye-Jeunault. Some 300 french speaking students from different communities had the opportunity to attend different workshops during the three days.

It also permitted them to make new acquaintances and exchange ideas with other french speaking students throughout the province.

Mr. and Mrs. Allan Keane returned last week from holidaying in Kansas where they renewed old acquaintances with their former neighbors Mr. and Mrs. Crouch, now living in Kansas City. They also enjoyed some of Las Vegas "night life" before returning to visit with relatives in Nelson, B.C.

Man, trying to make conversation with grumpy individual, "They say that bright eyes indicate curiosity."

"Yes, so do black eyes."

Farewell to Arms

The Editor:

Last week my resignation from the Gazette was announced, and I feel obliged to express my personal thanks, to the many individuals, who, during my 25 years as your local editor and correspondent, have helped or contributed, in many ways, to make the local news, as interesting and informative as it was.

Now that I have retired from public life, politics and club work, for medical and personal reasons, I intend to devote my sunset years to travel and freelance writing, as circumstances and health will permit. I hope to enjoy my life as a private citizen, with a silent phone number for home use and my personal freedom to live as I please.

I wish to personally thank Mr. Ernie Jamison, publisher of the St. Albert and Sturgeon Gazette for a pleasant and fruitful association since 1966.

Do you receive the Chate-laine? The brownies would appreciate it if you could spare the page with the picture of the brownies that appeared in the February issue. If you are willing to help a brownie, please call Mrs. Bruno Chamberland, phone 598-3852 or Mrs. Roland Prefontaine 598-3862.

I am happy to hear so many favorable comments, by such a large number of Gazette readers from St. Albert, Morinville, Legal, about "As I See It" column, and how so many miss it now.

As many will remember, I was also the first editor of the Morinville Journal 25 years ago, when Morinville shared the front page news with those of various towns and villages in the local municipality.

I also wish to acknowledge the support in all my years, as correspondent of the MD council members, especially Reeves Stanley Walker and Walter Van De Walle who always encouraged and requested a good farm page in the local paper.

In closing may I suggest to all local and district organizations to co-operate with their local correspondents, and I hope that Morinville will give Florence McGinnis the local reports to meet deadlines and also remember that being a newspaper correspondent is a thankless community job, that needs to be done on time.

With a very heartfelt final "Thank you" to one and all.

Most sincerely,
With very best personal wishes to young and old alike who reads this note.

Rose Martel.

Frontiersman Hotel Invites Special Guests For Grand Opening

The owners of the Frontiersman Hotel in Morinville have invited a number of dignitaries and special guests to take part in the official opening ceremonies March 14.

Among those who will be in attendance are: MLA Er-

nio Jamison, MD of Sturgeon Reeve, Walter Van De Walle, mayors of the surrounding villages and towns; Ray Gibbon from St. Albert, Leon St. Martin from Leduc, Bill Deedman from Bon Accord and Spencer Holmes of Gibbons.

Along with 'oldtimers' of the district who have seen many changes over the years, Town of Morinville and Thibault School Board officials, the out of town guests will join in the official opening ceremonies beginning at 2 p.m. on Wednesday, March 14.

Ed Kryskow, the manager, has extended a personal invitation to one and all to come and enjoy themselves at the Frontiersman Hotel "for the good times," from March 14 through March 17 in the hotel itself as well as the Frontiersman Restaurant.

Congratulations

Frontiersman Restaurant offers exotic cuisine

The Frontiersman Restaurant operated by Bing Chan features Polynesian and Chinese Cuisine along with Canadian dishes and on March 14th, the day of the official opening, Bing and his staff invite everyone to drop in for free coffee and donuts between 2 and 4 p.m.

With seven years experience in the restaurant business, Bing Chan is well versed on the subject and he offers Morinville and area a unique menu. Some of the more tempting dishes are "Sungum Sizzling Wor Bar" or you can choose the "Shrimp," the "Steak" or the "Chicken Wor Bar."

Whatever you decide on you will enjoy your meal in the quiet, comfortable surroundings. With tables for 32 patrons the Frontiersman

Restaurant boasts the most modern kitchen facilities, which also serve the hotel. The "frontiersman" theme is used throughout which serves to enhance the exotic menu.

Bing and the staff invite one and all to drop in during the four day opening celebrations to get acquainted and to sample the menu or just stop for coffee and donuts on the 14th. A take-out service is provided and if you phone in your order you can drop by in 15 minutes and pick it up at a five per cent discount.

The regular hours of operation are: 10 a.m. - 10 p.m. Monday through Thursday; 10 a.m. till midnight on Friday and Saturday; 10 a.m. - 8 p.m. on Sunday. Every weekday a Business-

men's Special is featured from 11 a.m. - 1 p.m. and on Sundays the feature is Family Dinners.

RAY GIBEAU

Born in Morinville in 1932, Ray is the grandson of one of the district pioneers Joe Gibeau who came to the area in 1905.

Ray received his education in Morinville and at St. Anthony's College. In 1956 Ray married Madeline Plquette of Lac La Biche and the Gibeaus have four children; Jan Colette, Marc, and Richard.

For several years Ray was a director of the Morinville Sports Association and is an active member of the Heritage Lake Investment Club.

For the past 25 years Ray has operated a successful dairy farm - "Bella Vista Dairy" on the home place which is 1/2 mile west and one mile south of Morinville

Bing Chan, manager of the restaurant in the Frontiersman Hotel and his staff greet customers and make sure everything is to their liking. The up-to-the-minute kitchen facilities serve both the restaurant and the hotel, and a take-out service is provided. Photo by Jeet Khullar.

ALVE BOKENFOHR

The son of the late "Fritz" Bokenfohr one of Morinville's pioneers who came to the district in 1904, Alve was born in Morinville in 1934 and has lived in the area ever since. Taking his elementary schooling at Cardiff where he grew up on a farm, Alve took his high schooling in Morinville and graduated from St. Anthony's College in 1952.

In 1963 Alve married Agnes Keushing of Mannville

and the Bokenfhrs have four children; Kerry, Kelly, Lori and Thomas.

Alve is a specialist in Long Drinks and Cocktails after having taken a Mixol-

ogists' Course at NAIT prior to the opening of the Frontiersman Hotel.

Alve and his wife Agnes operate a farm located only three miles east and 1 1/2 miles south of Morinville.

Morinville Frontiersman Hotel Extends An Open Invitation - Official Opening Celebration

By Flo McGinnis

A ribbon-cutting ceremony on Wednesday afternoon, March 14 will begin the four day official opening celebrations of the Frontiersman Hotel in Morinville. At 2 p.m. the ceremonies will get underway with Mayor Art Stapleton cutting the ribbon and Romeo Bolssonault, president of the Morinville Board of Trade acting as master of ceremonies.

As part of the program, Morinville's own "Frontier Jane" - Muriel Krauskopf will entertain guests with some of her "frontier" selections, accompanied by Art Chailfoux at the piano. Live entertainment for the four nights March 14, 15, 16 and 17 will be "Country Sound" and the owners Alve Bokenfohr, Ray Gibeau and Ed Kryskow extend a hearty invitation to each and every resident of the area to the Frontiersman Hotel "for the good times."

Plans for this large, ultra modern structure were be-

gun in early 1972 when Alve, Ray and Ed formed a partnership, and decided a new hotel was required in the town. They purchased the old Alberta Hotel from Mary and the late Fard Stelle in June and operated it until August 5. Then on the memorable day for a great number of the oldtimers' of August 9, the old building was demolished. All the furnishings and equipment were sold at auction at the Morinville Arena, with one exception. The old cash register has been retained and will be used in the lobby of the Frontiersman.

Designed by David T. MacLagan, A.O.C.A., design consultant in Edmonton and constructed by A. V. Carlson Construction also of Edmonton, The Frontiersman Hotel is valued at approximately \$350,000. The Tavern and the Hideaway seat a total of 260 in luxurious comfort. For the customers enjoyment there are two of the latest shuffleboards as well as a remote

control dart game. When the time comes that dancing is allowed, an inlaid hardwood floor is ready and waiting.

The bar equipment like everything else is the most modern available and customers can choose from beer, wine, highballs, cocktails and longdrinks. Alve Bokenfohr who is a specialist in "mixed drinks" even has a Frontiersman Special. With a staff of 14 waiters and waitresses, each and every guest will receive prompt, courteous attention.

For anyone who is feeling the slightest hunger pains there is a complete snack bar service with such tantalizers as hot pizzas, sausage on-a-bun, or hot hamburgers from the microwave ovens. You can of course get such tidbits as chips, or even hot buttered popcorn. From the kitchen of the Frontiersman Restaurant (which is part of the hotel) managed by Bing Chan you can order from an extensive menu and have it delivered to your table.

The Frontiersman Hotel has six modern double rooms for its guests, plus a Conference Room that seats 40 persons quite comfortably for a meeting, etc. The complete decor of the hotel is on the "frontiersman" theme to compliment the name. Frontiersman Hotel was chosen personally as the name by the owners Alve Bokenfohr, Ray Gibeau and Ed Kryskow as one that is befitting of representing the complete Morinville area.

Alve, Ray and Ed will be on hand along with their families and staff March the 14th through 17th to extend a cordial "welcome" to all visitors. Morinville has Frontier Daze, Frontier Jane and now the Frontiersman Hotel, - "For The Good Times."

Women have a passion for mathematics. They divide their ages by two, double the price of their dresses, treble their husbands' salaries and add five years to the ages of their best friends.

Tavern at the Frontiersman Hotel, along with the Hideaway can seat 260. Raised bandstand is seen at left with inlaid hardwood floor section in front of it in readiness when dancing is allowed. Visitors will be able to tour the new building during opening days, March 14, 15, 16 and 17. Photo by Jeet Khullar.

ED KRYSKOW

The son of a pioneer CPR Foreman, Nick Kryskow, Ed was born in Morinville in 1927 and attended Frontenac school. Ed worked at various jobs including one in Whitehorse when the Alaska Highway was being built. While working in the mining industry Ed worked at the old Starkey mine at Cardiff as well as the Commodore Mine in Drumheller to name only two.

In 1949 he married Anne Manasterski of Athabasca and took up farming on the homestead when his father retired. The Kryskows purchased the Massey Ferguson implement business in 1960 and operated it for six years. After returning to farming for three years, Ed built the Morinville Trailer Park in 1969 and still operates it from his home which they built in Morinville in 1962. Then in 1971 the Kryskows built "Edana Apartments,"

the first multiple dwelling in Morinville.

An active community worker, Ed is a member of the Lions Club, the Board of Trade, the Farmers Union, and the Heritage Lake Investment Club. In the past, Ed spent 10 years with the Curling Club, four years as a director of the Frontier

Daze Association, and six years coaching hockey with the juveniles, the shavers and the mites.

The Kryskows have three boys; Randy, David and James, and three girls; Sherry, Donna and Learne.

Ed's newest venture is as manager of the Frontiersman Hotel.

Good Luck !
